

Please allow the K-LOVE radio station to use FM translators.  
K-LOVE is a very encouraging and family-friendly radio station that I can leave on all the time. If K-LOVE were displaced by an LPFM broadcaster, I probably wouldn't get to listen to it anymore as we are not near a translator. The service provided by K-LOVE is of utmost importance to my well being which in turn helps me become a better citizen. Thank you for listening to me!
